Re: Civil Action No. 10-cv-2507 in the United States District Court for the Southern District of Texas, Houston Division; *KaMeCheal McKeever v. Educational Commission for Foreign Medical Graduates, Artis Ellis, and Brent Biggs*

Dear Judge Gilmore:

This letter is to request a resetting of the scheduling conference now set for December 16, 2010.

Plaintiff in this action is pro se. She advised me when I contacted her concerning the Joint Case Management Plan, that she was scheduled to meet with an attorney. E-mail confirmation followed.

As of today, no contact with Plaintiff or an attorney has occurred. Based upon my discussion with Ms. Mares, she also has been contacted by Plaintiff and told Plaintiff is seeking an attorney and desired to continue the conference.

Given the above circumstances and the lack of a proposed Joint Case Management Plan for the Court to consider, we request that the Court reschedule the pending conference to January 21, 2011, which should allow sufficient time for Plaintiff to secure counsel, a meeting of the parties and timely submission of a Joint Case Management Plan.

Respectfully,

*/s/ A. John Harper II*
